

Soil, Water and Nutrient Stewardship Field Day

Thursday, July 23, 2026

Farmamerica
7367 360th Ave, Waseca
Lunch Included

Farmers, agronomists, anyone interested in nutrient management and innovative conservation are invited to the 10th Annual 4R Field Day at Farmamerica in Waseca.

This field day is hosted by the Minnesota Agricultural Water Resource Center in partnership with our sponsors. This free event will provide attendees:

- Information on 4R practices
- Machinery on Display

Farming practices continue to evolve for the better rapidly. This field day will highlight innovative farmers and their approach to improving nutrient efficiency, and improve soil health.
