VIP Tour of the State Fair with Minnesota Milk Producers Association

August 21 to September 1 | 1265 Snelling Ave. N., St. Paul

The Minnesota State Fair, one of the premier agricultural events, brings the country to the city each year to showcase some of the best our state has to offer. You have likely attended the fair at some point, but have you ever had the chance to see the fair from an insider's point of view?

Once again this year, Minnesota Milk is offering legislators and their staff a behind-the-scenes tour of the state fair including stops at iconic locations like the Moo Booth and the Warner Coliseum along with meeting the young 4-H'ers and others exhibiting their projects and animals during the fair.

During the tour, you'll also get a firsthand look at a functioning dairy processing facility, the Dairy Goodness Bar, and enjoy the delicious offerings at the All-You-Can-Drink Milk Stand. All attendees will receive an ice cream treat and a hat (for food safety reasons) and will be escorted by me and/or another dairy farmer.

There are a variety of dates and times available. Feel free to bring guests – family, friends and other legislators or staff. Each tour can accommodate up to 10 people. If the dates and times don't suit you, please let us know, and we will look for alternative times.

This is an engaging opportunity to expand your knowledge of where dairy products come from while enjoying the exciting atmosphere of the fair. We look forward to seeing you there!

Have a great August!
